ASYLUM SUIT.

For Money Claimed Due the Institution.

A copy of deeds from Louis Robiou and Mary Kramer were filed in the suit Saturday of the Western lunatic asylum of Hopkinsville, against Mary Leonard. Mary Kramers was confined at the asylum and left property in her estate. The asylum now sues for money claimed due for caring for her. MEETING OF PROTECTIVE ASSOCIATION.

Farmers Hold a Convention and Hear Tobacco Speeches.

C.P. WARFIELD PRESENT

Address by Several Gentlemen Urging a Better Organization.

The county mass meeting of The Tobacco Growers, called by the District Association yesterday, was attended by 200 or 300 farmers, who listened to speeches by Messrs. C. P. Warfield, M. C. Forbes, C. E. Barker, Frank Rives and others, all urging a better organization in Christian county, which is lagging behind sister counties in the movement. The farmers showed a good deal of enthusiasm and appear to be determined to stand firmly for the demands of the association.

The little crops are being gathered up in sections not covered by the organization, but the great bulk of the crop is signed and others are ready to sign. The members are not weakening in the least and the fight now should be made to keep the unorganized localities from selling until all are ready.

SUMMONED VENIRE OF JURYMEN

To Try the Noted Willis Case in Trigg County.

SHERIFF GRASTY HERE.

Third Trial of Alleged Slayer of Lieut. W. B. Johnstone Two Years Ago.

Sheriff F. K. Grasty, of Trigg county, was here Saturday and summoned a special venire of seventy-five men from which to select a jury in the Johnstone murder case, which will be called in Cadiz next Monday.

On the night of March 1, 1903, at Canton, Lieut. W. B. Johnstone was shot through a window in the house of Mr. Green Wallis and instantly killed. An indictment was returned against Lawrence Willis; his mother, Mrs. Bessie Willis; his brother, Lewis Willis, and James Williams. Lawrence Willis was tried at the April term and given a life sentence. The verdict was set aside by the court and a new trial was awarded him. Last May the second trial of the case came on and resulted in a hung jury. At the September term it was continued. Last court Mrs. Willis was tried and a verdict of not guilty was returned. Lewis Willis and Jas. Williams have not yet been tried. The jury to try Lawrence Willis will likely be made up from the list of men summoned here and the trial of this case will, in all probability, consume a week's time.

Pembroke people are reveling in the delights of a roller skating rink, open two nights each week—Tuesdays and Fridays.
